For FY 2015-16, which began on July 1, 2015 and ended on June 30, 2016, the Citywide Measure Q Budget was:

**FY 2015-16 Citywide Measure Q Operating Budget:**

Although actual fiscal year Measure Q expenditures were $2.48 million less than the $17.80 million budgeted, actual new Measure Q Revenue received in FY 2015-16 was only $14.84 million, $475,000 less than actual Expenditures of $15.32 million. However, this fiscal year operating deficit was anticipated during budget development, and as a result, the City Council had already set-aside an additional $500,000 from the prior year’s General Purpose Fund surplus. Anticipate expenditures to increase next year due to cost of living increase and staff hiring. There will be another $500,000 infusion from the $1M from City Council set-aside fund appropriated last year. Money not expended in one year is carried over as fund balance.

Chairperson Sterbenc called for a motion to approve the Measure Q Fiscal Year 2016 End of Year Report. Chairperson Randle made a motion to approve the report; Commissioner Barbero seconded. All approved.

Votes: Yes – 10; Noes – 0; abstentions - 0
4. Chairperson’s Commission Activities Report – Chairperson Sterbenc

4. OPL Staff Activities Reports

a. Director Report Highlights – Director Garzón

- OPL celebrated three major anniversaries: Melrose Branch 100th, Chavez 50th, and Rockridge 20th. Great event at RR with a jazz trio. The community taxed themselves to build this branch and they are big supporters of Rockridge branch.
- Began the 2-year budget process this month, which will continue until Jan and Feb. The Capital Improvement Projects (CIP) will be the big focus this year in case the Mayor’s bond passes. This will impact the budget tremendously.
- Pew Research Center published a survey regarding reading patterns. Results show a lot of e-books reading on tablets, e-book reading stabilized; only 6% of Americans are digital readers.

b. Facilities Update – No report

5. Advocacy Standing Committee Update – Commissioner Racle

- Discussed Committee changes, commissioners joining committees; recruiting efforts for LAC and filling leadership spots.
- Advocacy plans events, the goal is to have new committees working on this and targeting which events to attend, and have commissioners attending. Plan details on this effort and procedures at next meeting.
- Working on speaking workshops ahead of these events: develop specific talking points, update and build up talking points.
- Get update reports from Teen Services and Children’s Services 2-3 times per year.
- Chairperson Sterbenc added that outreach supplies (t-shirts, buttons, bookmarks) table drape and vinyl sign banner are available for OPL advocates. Contact Ronile Lahti for supplies. Once t-shirt inventory is down will do a different design. Also working on transition from LAC to FOPL member.

6. Networking Standing Committee – Commissioner Harper

- Planning social mixer, preparing food list, asked commissioners to contribute money and a dish. Will get clarification from FOPL regarding proper use of funding. Commissioner Bailey is handling invitations and program. Commissioner should invite their council members and follow-up with their assistants. Commissioners Mandros Bell in charge of decorations, Harper in charge of music, Randle contributing paper goods. There will be staff presentations, and a photo booth.
- Preparing the transition to new Outreach Committee.
- Once Chairperson Sterbenc’s term ends this November, she will continue volunteering with the LAC, plans to do a technical presentation at the January meeting.
Commissioner’s Advocacy Reports:

- Commissioner Lupoff: met with MLK branch manager Brian Guenther; great little library packed for a summer program, no serious issues since last summer when someone broke in the shed. Trying to maintain the Friends group and attract more people.
- Commissioner Rodriguez: has been in touch with Temescal staff. Have friends meeting next Tuesday.
- Commissioner Barbero: Lakeview branch is doing well, selling the most t-shirts; busy with programs, looking to have more adult programs. Attended the Branch Friends Network meeting. The Friends group is going down to 5 people and is looking for more members.
