# The Great American Eclipse of 2017

A large, diverse crowd of people is gathered outside a light-colored brick building with large windows. Many individuals are wearing eclipse glasses and holding up smartphones to take pictures. In the foreground, a woman in a teal shirt and a skirt with a 'SANDY APPLES' graphic is looking through her glasses. To her right, a woman in a black jacket and jeans is also looking through glasses. Further back, a man in a white shirt and brown shorts is holding a phone. The crowd is spread across a paved area with red brick borders. The building behind them has several windows and a door with a sign that says 'MADBOX'. The overall atmosphere is one of excitement and anticipation for the eclipse event.

# East Bay Podcast Meet-Up / East Bay Yesterday
