

LAC DRAFT LETTER TO  
Oakland Unified School District

SUBJECT: Piedmont CDC Surplus Land

Oakland Unified School District  
c/o Jody London, School Board Chair  
1000 Broadway, Suite 300  
Oakland, CA 94607

Dear Chair Jody London:

The Oakland Public Library Advisory Commission is writing to encourage the Oakland Unified School District Board to withhold from designating Piedmont CDC as surplus land and to direct staff to explore a joint occupancy agreement with the City of Oakland for the provision of library services through that site. This would be a commitment that expands upon the existing joint use agreement for the temporary structure which comes to an end in two years.

This joint occupancy relationship already exists with the school district at our 81st Avenue Branch library, which is on land that is part of the Woodland Elementary School and we believe it to be a mutually beneficial relationship that supports education, and the mission vision and values of the Oakland Public Library.
