# Discussion

# Community feedback

## Goal to understand Oakland e-bike

- Use cases and general transportation needs
- Interest
- Hesitations

# Program Design

- **What types of e-bikes should we ensure we have available?**
- **How long should a rental or “rent” period be?**
- **How much should it cost to “rent” a bike? What should we consider when structuring the cost?**

Survey collection

# Survey collection

## **The survey is open to all Oakland residents**

- Cross promotion with Let's Bike Oakland stakeholders
- Find it on City of Oakland website
- Sign up for updates
- Focus groups being coordinated

# Goodbye gas, hello clean.

**Electric bike libraries  
are coming to Oakland.  
Tell us what you want to see:**

The Oakland Electric Bike Library Program is part of California Climate Investments, a statewide initiative that puts billions of Cap-and-Trade dollars to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment — particularly in disadvantaged communities.
