2. **AB-361 Adoption of Teleconference Resolution**
   In 2020, due to Covid-19, the Governor issued emergency executive order N-29-20 which suspended the teleconferencing requirements of the Brown Act. That executive order expired on September 30, 2021.

   In September 2021, Assembly Bill 361 was signed and authorized local agencies to use teleconference without complying with the teleconference requirements imposed by the Brown Act when the legislative body holds a meeting during a declared state of emergency. This resolution is being re-adopted so that the commission can meet via teleconference.

   Commissioner Caleb Smith made a motion to adopt the resolution. Commissioner Karen Roye seconded the motion. All in favor. Motion approved and resolution adopted.

3. **Open Forum/Public Comment (2-minute limit)**
   Public comments can be heard by clicking the link to the recording at the top of these minutes.

4. **Quarterly Maintenance Report**
   Commissioner Mary Forte discussed the most recent maintenance report for the period of July 2019 through December 31, 2022. She presented a comparison summary by branch which showed the number of open tickets had decreased from 294 to 155 in the four-month period since the last maintenance report.

   Commissioner Mary Forte also shared the full maintenance report which lists each open ticket for each branch. She encouraged the commissioners to look at the branches they advocate for and discuss with the branch librarians.

5. **Return to In-Person Meetings**
   Staff, Kere Gonzales, updated the group that when the governor’s emergency order expires on February 28, 2023, the Library Advisory Commission and all other legislative bodies in the City of Oakland will be required to return to in-person meetings. This means that all the meetings commission and subcommittee meetings starting March 1, 2023, and onward, will be in-person. Kere Gonzales also shared that she had reserved the Bradley Walters room at the Main Library for the meetings.
Next, Kere shared the results of the survey that had been sent in November. The commission was reminded that the survey results were shared as a courtesy; the most recent information and developments from administration is that the return to in-person meetings is mandatory. Kere will continue to share information and developments as they become available.

6. **Get To Know Your Commissioners**

   The commission has been meeting virtually for three years. As a result, some commissioners have never met in person and realized they knew very little about one another. This was a space for commissioners to share a little about their backgrounds, how they came to serve on the commission, their connection to the library, and to familiarize themselves with other commissioners.
