4. Agenda Building

There was much discussion about the action plan and clarity around how it is described and agendaized. At the conclusion of the discussion, it was decided that the agenda building section should contain more detail about the intent of the discussion rather than just the item's title. As such the agenda building for the July meeting is contained below with the intended outcome of the discussion.

Capital Projects Tracking- Who tracks the meetings? Which meetings are tracked? Who speaks when necessary? When are the meetings? Are there meeting notifications?

Action Plan- Review and marks items that are completed. Review and discuss outstanding items.

Quarterly Maintenance Report- How it Works- Commissioner Weinberg to explain how data is generated and analyzed. What does he do when he receives the spreadsheet?

5. Adjournment- Meeting was adjourned at 6:54 pm.

Respectfully Submitted,
Kere Gonzales
